Union Investment has paved the way for the planned further growth of its institutional investor business by appointing Klaus Bollmann to the management team of Union Investment Institutional Property GmbH. The 53-year-old economist will drive forward the expansion of the company's institutional real estate activities together with Wolfgang Kessler and Jörn Stobbe. Klaus Bollmann is also a member of the management board of Union Investment Institutional GmbH, where he has been in charge of product management for institutional customers since 2014.

“We intend to take advantage of attractive growth prospects to expand our product range for institutional real estate investors such as insurance companies, corporates and pension funds,” said Bollmann.
