Union Investment achieves three letting successes in the Düsseldorf area

Leases signed for 4,700 sq m of office space

Union Investment has signed three leases covering 4,700 sq m of office space in the Düsseldorf area. These include two new lettings and the extension of a current lease by ten years. In Meerbusch, Lehmann Natur, a producer and distributor of fruit and vegetables, has taken 1,050 sq m at Otto-Hahn-Straße 10 in Mollsfeld Business Park as part of the company's ongoing expansion. In Düsseldorf's Golzheim district, close to Kennedydamm, Dutch bank Garantibank International is taking 850 sq m in the Tersteegenstraße 28 office property. Here again, the tenant needed more space and is moving from previous premises in central Düsseldorf.

In addition, the lease with engineering company Loesche GmbH was successfully extended by ten years. The long-established manufacturer of grinding plants for the global market has rented approximately 2,800 sq m of office space at Schiesstrasse 61 in Hansapark in the Heerdt district of Düsseldorf since 2007. The building is located directly next to the company's headquarters.
